You've got birthdays wrapped up.

Before your party

Pick a theme.

Invitations

There are plenty of themes to choose from. All you need is your child's photo to make a customized invite friends can't refuse!

- 4x6 and 5x7

NEW

Elmo birthday pack

Tip: Print a few extra invitations for last-minute guests and your scrapbook.

See in-store kiosk or retailer.com for more themes—new themes released often.

At your party

Carry your theme throughout.

Posters

Make your birthday boy or girl feel like a star with large posters on the wall. Showcase one of your favorite photos on a single-image poster. Or use a collection of your favorite pictures from the year in a collage poster.

- 8x20 to 24x36

Tip: Add a matching banner for the party.

After your party

Enjoy the party for years to come.

Thank-you cards

Make thank-you cards more personal. Include memorable moments from the party and a special message from the birthday boy or girl.

- 4x6 and 5x7

Photo books

Capture all the fun they had with their favorite characters. Keep one for yourself and send one to grandma and family.

- 8.5x11

Tip: For impact, mix in pages with only one photo—use four or fewer on all other pages.
