

**THREE TIMES THE ENERGY EFFICIENCY.
A QUADRILLION TIMES THE
PRINTING OPTIONS.**

Pictures. Calendars. Photo books and more. HP Retail Publishing Solutions offer your customers more printing options while using nearly three times less energy than traditional silver halide minilabs. That amounts to a savings of up to \$1,000 per machine per year. Who knew you could get so much more from using less? Learn more at HP.COM/GO/RETAILPUBLISHING
