

SAP experience that's 50,000 installations strong

As the global leader in installing SAP applications of 50,000 and counting, more SAP environments run on HP infrastructure technology, period. As a member of SAP's Enterprise Services Community Process, we're also especially qualified to implement Enterprise Services Architecture (ESA) for your company. So if ESA is in your future, collaboration with an experienced and reliable partner like HP should be as well.

Visit HP booth #3075 and register to win an HP Digital Camera/HP PhotoSmart Printer package or a grand prize HP Pavilion 42" Plasma TV.
